DESIGNS PROJECTS

These are a few design projects i have handled

A complex website design for ADHD WELL. It includes a landing page desktop view (1), a desktop view of the health questionnaire website (2), a mobile view of the landing page (3), and a mobile view of the health questionnaire website (4). The website features sections for "Do You Have ADHD Or ADD?", "Know Where You Fall in the ADHD / ADD Range", "About ADHD WELL", "What Our Doctors Have to Say", and "Health Questionnaire Website". It also includes a "Brief Test", "General Questionnaire", "Instant Scoring & Tips", and "Quick Links". The footer contains terms and conditions and privacy policy information.
